

Finding God's Riches

An appreciation for the riches of God

- We must not accept our fate (:3)
- Life can change comprehensively in one day
- There is a level of risk involved in discovery
- We are beneficiaries of God's victory over the enemy

Finding God's Riches

An understanding of our need to share God's riches

- Without that understanding others may miss out on the opportunity for life.
- Without that understanding there is a failure of responsibility.

Finding God's Riches

What could they have done?

- They could “forget” their former condition
- They could decide it “wasn’t their problem”
- They could give in to the fear of the unknown
- They could over complicate the job at hand
- They could give way to worldly tendencies

Finding God's Riches

A recognition of the need to let God's riches move us (2 Kings 7:9)

"therefore"

- We need to arrive at the therefore in our lives

"therefore, come, let us go"

- We need to develop a unified purpose in our lives

"therefore, come, let us go and tell"

- We need to have a message to deliver with our lives
